

Global Projects

Since its first approach in an Official Development Assistance (ODA) project in 1983, the JWA has been expanding the regions of its activities across the Pacific, Central and South America, and Africa, while centering on Asia. In addition, the JWA is actively participating in public-private projects in the disaster-prevention and the environment sector, and is expanding its business through coordination with public agencies and other private-sector business operators.

< Legend >

Country/Area	Category	Project Title	Client	Year
ASEAN		<p>Support projects under the ASEAN-Japan Action Plan on Environment Improvement in the Transport Sector (AJ-APEIT)</p> <p>(Environment)</p> <ul style="list-style-type: none"> - Promotion project of NIP development and implementation for environment improvement (2010) - Data collection survey for the new NIP development for environment improvement (2014) <p>(Safety and Disaster Prevention)</p> <ul style="list-style-type: none"> - Analysis survey of the disaster trends in ASEAN states (2011) - Case study of good practices in traffic safety and disaster prevention measures (2013) 	MLIT	2010-2014
Bangladesh		<p>Technical Cooperation Project for Development of Human Capacity on Operation of Weather Analysis and Forecasting</p>	JICA [Tech. Cooperation]	2009-2013
China		<p>Programmatic CDM Project Feasibility Study on Energy Efficiency Activities Using Idling Stop Equipments for Buses in Shandong Province, China</p>	GEC	2009, 2010

El Salvador		The Project for Master Plan for the Development of Renewable Energy In The Republic of El Salvador: Preparation of Wind Power Potential Map	JICA Private company	2011
Indonesia		Studies for Project Exploration and Planning: Eco-shipping Project for Coastal Cement Tanker In Indonesia	NEDO	2011, 2012
Korea		Provision of global weather forecasts	Private Company	2005-present
Mauritius		The Project for Improvement of the Meteorological Radar System	JICA [Grant Aid Project]	2013-present
Mozambique		The Data Collection and Preparatory Study for Renewable Energy Utilization Project along the Nacala Corridor: Estimation of insolation amount and wind condition at Nampula province, Mozambique	JICA Private company	2011
Myanmar		The Project for Establishment of Disastrous Weather Monitoring System	JICA [Grant Aid Project]	2013-present
Philippines		The Project for Improvement of Meteorological Radar System	JICA [Grant Aid Project]	2009-2013

Philippines		Support Project for the Development of the Philippines NIP on Environment Protection in the Transport Sector	JICA	2012
Taiwan		Provision of meteorological satellite image	Private company	2006-present
Thailand		New Mechanism Feasibility Study for Development of Mass Rapid Transit (MRT) Network in Bangkok, Thailand	GEC	2011, 2012
Viet Nam		Meteorological observations, airflow simulation and wave prediction for nuclear power plant pre-feasibility study in Viet Nam	Private company	2011-2012
Multiple countries		Reinforcement of Meteorological Services (Kalman filter)	JICA [JICA Training]	2003-present
Multiple countries		Air Pollution Source Management: Prevention Measures for Coal Dust Dispersion	KITA [JICA Training]	2003-2011
Multiple countries		Development of the National Implementation Plan under the AJ-APEIT [Evaluating transport sector projects: Environmental management]	JICA	2010-2012

Multiple countries		Capacity Building of implementing environmental policies under the AJ-APEIT [Evaluating transport sector projects: Environmental management]	JICA	2013
World		IPCC WG2 support secretariat in Japan	MOE	2011, 2013, 2014
World		Comprehensive Analysis on Introduction and Dissemination of Photovoltaic Power Generation Technology for Developing Countries	JICA [project study]	2013
World		International Cooperative Demonstration Project Utilizing Photovoltaic Power Generation Systems: Development of Supportive Technology for Designing PV-Hybrid Power Generation Systems	NEDO	2006-2010
